Work on replacing 100' of dock from gangway to museum

Dec. 19

Start to install lighting & replace decking on "B" dock (Visitor Dock)  
Up-grade water system on "B" dock

Dec. 26

Boxing Day – no work party

Throughout the winter, if the weather is unfavorable, we have several inside projects that we will pick away at, most involve painting. There are also outside painting jobs when the weather is good for those of you who prefer to paint instead of pound!!

Also, the wood shop needs some organizing and cleaning (again) to make it useable for future projects.

Watch for 2010 work party schedule in the next Maritimer

The support of our members in these exciting times is critical to our future. Volunteers are the backbone of our organization and the opportunities to help are endless.

Volunteers needed:

Routine office work

Bank deposits

Update membership/volunteer lists

Letters

### CALLING ALL PAINTERS

The HMCS Oriole is coming back on December 12<sup>th</sup>, 2009. We are planning a Crew reception in the Expo Building. We are looking for painters to help meet the December 12<sup>th</sup> deadline. Please contact Dave at 250-245-0109 if you are available. Coffee is always on!! Pizza!
